Career Objective

I am a career-focused person studying **Human Resource Development** and learning about technology to build a future in **information security**. I am ready to start my career as an **IT** or **HR Intern** because I have good IT skills, basic HR knowledge, and I learn new things very quickly. I am motivated and hardworking, looking to grow my skills and help any organization I work with.

Education

- HSC in Human Resource, Al Amin TBM Collage, Jessore Board, Expected In 2026
- SSC in Science, Magura A.G. Academy, Jashore Board, GPA: 4.11 out of 5 in 2024

Trainings & Certifications

- Networking Basics from Cisco
- Introduction to Cybersecurity from Cisco
- Google Cybersecurity Professional Certificate (3 module of 8 Completed)

Work Experiences

Freelance Graphic Designer

Jan 2023 – June 2023

Winet Solution, Remote, Malaysia.

Graphic Designer (Intern)

June 2022 – Sep 2022

Repulsion Games, Remote, Bangladesh.

Language Skills

- English – Good professional proficiency in reading & listening and not so bad at speaking.
- Bengali – Native

Technical Skills

- HTML & CSS
- Adobe Suite
- Windows Operating System
- Troubleshoot

- Networking Basic
- Linux Operating System
- Information Security Tools

Personal Skills

- Quick Learning
- Creative Designer
- Team Collaboration
- Tech Enthusiast

Personal Projects

- I built **Obostha**, a simple tool for tracking and reporting digital statuses, mostly as an experiment.
- I'm working on **BPIN (Bangladeshi Public Identification Number)** as a side project to explore identity verification and prevent fake users.
